

Good Morning Jaguar Family,

Here are your daily announcements:

- The New Manchester High School AVID Program is launching AVID Cares, a Community Service Project in partnership with the National Toy Give-A-Way. AVID Cares donates toys to children in need during the holidays. There are several Toy Drop Boxes placed throughout the school to receive your toy donations. The locations are as follows: the front office, media center, and the classrooms of Mrs. Rogers, Petit, Render, & Ms. Worlds. If you would like to donate please wrap the gift, label if its for a girl or boy, and state the age range. The deadline for donating toys to the Toy Give-A-Way is Dec 14th. Please remember this is the season for giving, so let's show our Jaguar Spirit and be #AVIDstrong. If you have any further questions, please contact Mrs. Rogers in room A1303.
 - This week's testing schedule is:
 - Monday – 9th Lit part 1
 - Tuesday – 9th Lit parts 2-3
 - Wednesday – Geometry
 - Thursday – Algebra 1
 - Friday – US History
 - There will be no check-outs between 9:00 am and 12:30 pm if your student is testing. We cannot interrupt the testing environment during those times. Please make appointments for after 12:30.
 - We are asking that students leave cell phones and watches at home during each testing day. No items will be allowed to enter the testing room with them.
- Great News! There is still time to pay your \$3 to compete in the "The Big Questions Debate" on 12/11! Participants can attend a training Session on Tues. and Thurs. after-school to sharpen your debating skills! The winning team will receive a gift card worth \$40 AND there will be other great prizes for participants. Go to D2106 and enter by the 6th! See Ms. Robertson or Ms. Conyers in D2112 for more details.
- Students taking music theory in the spring need to go to the band website at nmhsbands.com to review your supply list and syllabus. It is very important that you do so.
