#### Some Neat Facts about Attending Columbus State University:

- Two Dynamic Campuses: River Park Campus: filled with historic charm, this renovated residential and classroom space overlooks the Chattahoochee River and is surrounded by trendy restaurants and entertainment venues. Main Campus: This is the 150-acre main campus that features state-of-the-art facilities and athletic complexes that are surrounded by shade trees and an abundance of green space.
- In addition to several Baccalaureate (4-year) Degrees offered (For a full list please visit: [academics.columbusstate.edu](http://academics.columbusstate.edu)), there is also a 2-year certification program now being offered in Cyber Security and Film. Georgia Film Academy has often visited the CSU Campus for Film Work.
- CSU is the first school in Georgia to offer a Robotics Degree
- Columbus is the second largest city in Georgia, so there are several large companies, such as AFLAC, Total System Services, and Four Hospitals where students often earn internships, which have led to full-time jobs.
