

New Manchester High School
College and Career Center
Scholarship News, Important Dates / Information
February 2022

SENIORS, IF YOU HAVE NOT ALREADY, PLEASE FILL OUT YOUR FAFSA. College deadlines for FAFSA are rapidly approaching!!! Go to: www.fafsa.gov

Top FAFSA Tips

- Read all questions and instructions carefully
- Meet all deadlines
- Check your email (including spam) regularly for any messages from Federal Student Aid or the college(s) you listed on your FAFSA Form
- Get free assistance and answers to questions: 1-800-433-3243

JUNIORS, IF YOU HAVE NOT ALREADY, You should be preparing to take your SAT and/or ACT for the first time. In order to register for the tests, you will need to create your own personal SAT account, and your own personal ACT account. Done properly, the process of registering should take a student about 45 minutes the first time they do so, for both the SAT and the ACT.

More information can be found at sat.org/register, and act.org/bts

New Manchester High School will host “ACT Test Day” at our school on Tuesday, March 29, 2022. The fee will be \$46.00, and students will not be able to use fee waivers to cover the cost. Payment may be made on our school website. Please contact Miss Mattox, with any questions.

IMPORTANT: Ordering Official Transcripts - Deadline before February Break

Students planning to order an official transcript(s) to be released through Georgia Futures, or to be mailed to a college(s), before we leave for our break in February, will need to order and pay for the transcript(s) **no later than Tuesday, February 8, for mailing, and no later than Thursday, February 10, to be requested for release through Georgia Futures.**

ASVAB TEST
Wednesday, March 16, 2002

Take the ASVAB! It's not just for those students, who are interested in the military. It is a great career assessment. Students who are at least 17 years of age may take the test, by going into google classroom, click on "Class Room" at the top, and scroll down to College & Career to select ASVAB to sign-up for it. Also, another great resource for helping to make decisions about what to study in college, is by going on GA Futures Website, and clicking on "Career Exploration."

CCI (College and Career Institute) Dual Enrollment Elective Programs

What is CCI? The College and Career Institute, located on the West Georgia Technical College Campus in Douglasville, provides high school elective programs through dual enrollment, for students from all Douglas County High Schools. (This means space is limited) Students must be on track to graduate, and may not be a member of FAME. CCI programs take the place of all other electives. Students only take their two core classes at NMHS, and are off campus ½ of the day, when they attend CCI.

REGISTRATION STEPS:

Step One - Sign up for Apply to CCI Reminds for all Apply to CCI announcements and admissions updates.

Text @nmhsapply to 81010

Step Two - Attend an "Apply to CCI Night" to see the school and get help with registration.

Upcoming APPLY to CCI Nights:

- Tuesday, February 8th - 5pm to 7pm
- Tuesday, March 22nd - 5pm to 7pm
- Tuesday, April 12th - 5pm to 7pm

Students and Parent(s) are strongly encouraged to attend one of the Apply Nights, where they can tour the school, ask questions about the programs offered, and also take care of required registration paperwork. Students are also encouraged to bring their social security number with them for paperwork.

Step Three - Submit a dual enrollment application to your program's post-secondary institution. Students applying for FinTech should submit an

application to GA Highlands. Students applying for all other CCI Programs should submit a WGTC DE application.

Step Four - Submit an online CCI program application.

Students will need a parent to complete the application. *First Year CCI students should complete the CCI Program Application. **Students currently or previously enrolled in any CCI program should complete the Advanced Level Program Application.

Step Five - Complete the 22-23 SPA/funding application with your parent on GAFutures.org

Both sections (parent and student) of the SPA/funding application will need to be completed **BEFORE** you can be registered for your program.

Advanced level students (year 2+) will also need to complete the GSFAPPS

Step Six - Complete the DCSS Dual Enrollment Participation Agreement. You will need your parent to complete the agreement with you.

Step Seven - Follow your school's procedure for CCI during the 21-22 registration. CCI programs will require **ALL** of your electives for the school year.

Step Eight - Continue to watch Remind and your DCSS email for CCI admission updates.

Acceptance notifications will be sent out to students in May via DCSS email. If you do not receive an admissions notification by the end of May, please contact the CCI.

Seniors Interested in Skill Trades

The Lincoln College of Technology (LCT) Annual Scholarship Award Program is for high school seniors graduating in 2022. The student must be in good standing with their high school at graduation and must earn a high school diploma in order to take advantage of any award money.

LCT will award a \$1,000 scholarship to 2022 high school seniors who score between 39-46 on the scholarship aptitude test. A \$2,000 scholarship will be awarded to 2022 high school seniors who score between a 47-55 on the aptitude test.

The high school scholarship assessment is the first step in determining if you are eligible for a Lincoln College of Technology Scholarship. **All tests must be taken by**

May 31, 2022, to receive a scholarship through the LCT High School Scholarship Program.

For more information: www.lincolntech.edu/hs-scholarship

Georgia Power's PAID Summer Internship

Program Details: This is a paid internship, \$15.00/hour (there is no overtime or mileage reimbursement). The program is approximately 8 weeks, with a preferred start in June 2022. Schedule: Monday through Friday - 7:00 a.m. - 3:30 p.m. (may vary based on work location and team).

Work location: TBD - There will be a reporting location, but the student will ride with crew members to various work locations daily. The student should be prepared to be out with crews most days and return to the office location by 3:30. Every aspect of the internship will be closely supervised and evaluated by a full-time Georgia Power employee.

Job Scope:

- Develop a general knowledge of power lines construction standards
- Work with crews daily doing basic work activities
- Use basic hand tools: shovel, cant hook, post hoe diggers, and other basic tools
- Help prepare overhead and underground materials for installation
- Assist with power outage restoration if they occur during scheduled work hours
- Interact with customers while in the field with various teams (Lineworker, Transmission, Metering or Network Underground)
- Time designated for CAST (Construction and Skills Trade test) prep and soft skills training

Student Worker Requirements:

- Must be 18 years of age or older. If less than 18 years old a consent form must be signed by a legal guardian or parent (sent upon request)
- Valid driver's license and a clean driving record
- Responsible individual with reliable transportation to and from work
- Ability to read, understand, and follow procedures, rules, and regulations
- Ability to perform physically demanding activities while working outside in all conditions
- Must pass pre-employment screenings (drug testing, criminal background check, and physical)
- Must be drug free and follow safety protocol if prescription drugs(s) are required
- Ability to comprehend basic safety rules and not be afraid to ask questions

- Positive attitude, strong work ethic, willingness to take the initiative and follow instructions
- Have an interest and aptitude in linework & other essential jobs in Power Delivery or Shared Services

Dress Code: (all will be provided) - Steel toe work boots & appropriate jeans and shirts

An Important GOAL!

Get a higher education for as little money as you can!

For a student who plans to start off at a 4-year college or university, and plans to live on campus, the following costs will be incurred:

Tuition – this is the cost per credit hour for classes a student will take

Ø Room/Board – this is the cost for a student to live on campus, in a dorm

Ø Meal Plan – this is the cost for a student to eat, while living on campus, and it is mandatory.

Ø Student Fees – this is a mandatory fee for students at any college

Ø Books

Ø Extra living expenses that a student might have

For a student who plans to attend a community college, the following costs will be incurred:

Ø Tuition – this is the cost per credit hour for classes a student will take

Ø Student Fees – this is a mandatory fee for student at any college

Ø Books

Ø Gas to drive back and forth to class

Every student and parent should think on these things, while making the decision for the best fit for the student.

Lastly, even if a student does not begin college with HOPE Scholarship, it can be applied for after 30 credit hours (typically 2 semesters), and a GPA of 3.0
